

ŞARAP - WINE

Tüm görkemli hikayeler kahramanları; kahramanlar ise seçimleri ile hatırlanırlar. Coğrafyamıza duyduğumuz hayranlıkla yaratıp paylaştığımız hikayemizin kahramanı elbette ki sizlersiniz. Bizler, bu deneyimi sizin için kusursuz ve unutulmaz hale getirebilmenin peşindeyiz. Mevsime özel oluşturduğumuz özgün menülerimizden seçtiğiniz ve onlarla eşleşen şaraplarımızla, hikayeyi hep birlikte yazıp her daim hatırlanabilir kılacağız.

Türkiye'nin tüm bölgelerinden üzümlerle üretilmiş onlarca yerel şarabın, dünyadaki şarap bölgelerinden titizlikle seçilenlere eklendiği "OD Urla Şarap Listesi" bünyesinde 500'den fazla şarap barındırıyor. Benimsediğimiz "tarladan sofraya" felsefesini, seçkiye eklediğimiz "Urla Bağ Yolu" şaraplarıyla taçlandırıyoruz. Geleneksel tekniklere bağlı kalanların yanı sıra, daha modern metodları belirleyen üreticilere de yer verdiğimiz 16 farklı ülkeye ait şaraplar, OD reçeteleriyle eşleşmek üzere menüye dahil oluyor. Özel şarap mahzenimiz ise, zamanı tadına aktaran şarapların yıllanmasına ev sahipliği yapıyor.

All glorious stories are remembered for their heroes, and those heroes are memorable because of their choices. You of course, are the heroes of the OD story we have created based on our appreciation of the geography we inhabit. We are committed to making your experience unique and thus unforgettable. With this objective in mind, we have incorporated special wines which we believe will enhance the menu.

Local wines produced from grapes from different regions in Turkey are accompanied by carefully selected ones from wine districts worldwide to comprise the "OD Urla Wine List" offering over 500 select products. We incorporated our philosophy of "farm to table" with a selection from the wines along the "Urla Wine Route". Wines from not only producers who adhere to traditional techniques, but also from those who prefer more modern methods have been included in the menu. 16 different global wines we believe complement our OD recipes have also been added. Consequently, our special wine cellar houses and enables the aging of the wines.

We created this selection as an homage to the unique properties of the grapes, the geographies and the process of wine-making itself. Now these carefully selected wines are awaiting you on your OD journey while creating your own unforgettable story.

We take great pride in sharing with you the meticulously renewed "OD Urla Cocktail Menu" in our seventh year. This special menu not only reflects our passion for using the freshest and highest quality local ingredients but also emphasizes our dedication to a sustainable future.

The produce cultivated in OD Garden and OD Farm are the stars of these cocktails. What we have included in our kitchen with a 0 km philosophy since day one is now shared with you in our cocktails.

Just as we've aimed to present familiar tastes in a new light in the dishes we've crafted over the past seven years, we aspire to do the same with these cocktails.

The most exciting part of our new cocktail menu has been the opportunity to collaborate with globally recognized bar professionals.

Alongside names like Fatih Akerdem, Kutay Özoktay, Mathias Broksø, and Kevin Patnode, the true hero of this menu - Emrah Deniz Kunt, founder of Lelabbo - brought his creative touch. The result is a collection of unique recipes inspired by local ingredients and infused with the spirit of OD.

We can't wait to share the inspiration and new flavors this creative journey has brought to life.

With care and craftsmanship, we hope you savor what we have meticulously crafted.

NEGRONI

Negroni kokteyli, 1919 - 1920 yılları arasında Floransa'da Count Camillo Negroni tarafından yaratıldı. Kont 1930'larda Cae Casano'nin müdavimiydi ve bir gün Americano Aperitifinden bıkmış bir şekilde Aristokrat Cae'de barın arkasında çalışan Fosco Scarselli'den Americano'suna Londra gezilerinin onuruna soda yerine bir cin dokunuşu eklemesini istedi. Ve işte tam burada, Via de Tornabuoni'deki bu kafede, Kont'un her zamanki içkisi diğer müşteriler tarafından Kont Negroni'nin Americano'su veya "Cin Dokunuşuyla Americano" olarak tanınmaya başlandı. Kokteyl, sonunda ona hayran olan Kont'un adını aldı.

The Negroni cocktail was created in Florence between 1919 and 1920 by Count Camillo Negroni. The Count, a regular at Cae Casano in the 1930s, grew tired of the Americano Aperitif. One day, he asked Fosco Scarselli, who worked behind the bar at the aristocratic Cae, to add a touch of gin instead of soda to his Americano in honor of his trips to London. And right here, in this cafe on Via de Tornabuoni, the Count's usual drink became known by other customers as "Count Negroni's Americano" or "Americano with a Gin Touch." Eventually, the cocktail took on the name of the Count, who had become a fan.
